14:25-15:20 **Dr Lori Collins and Dr Travis Doering** - 3D and GIS for Heritage Preservation of Aerospace History - the Cape Canaveral Space Force Station Case Studies.

15:20-15:30 Discussion

15:30 Coffee

Session 4 'Here and There'

15:45-16:10 **Alex M Spencer, Ph.D. FRHistS** - The Smithsonian National Air and Space Museum: A Museum in Continual Transformation.

16:10-16:30 **Professor Beth O'Leary and Dr Justin Holcombe** - Lunar heritage: Transformations, natural and anthropogenic.

16:30-16:45 Discussion

16:45 Conclusion of the first day

Wednesday, 29 May, Open Conference. MPP. Viollet le Duc Meeting Room.

08:30 Registration and coffee

Session 1 Governance

9:00-9:25 **Professor Alice Gorman** - remarks on Space Heritage Governance.

9:25-9:50 **Dr Kati Lindström** - Antarctic Heritage Governance.

10:00-10:25 **Hazel McGregor and Richard Ford** - A Framework Plan for the Moon.

10:25-10:50 **Professor Justin Walsh and Professor Alice Gorman** - The International Space Station Archaeological Project (ISSAP).

10:50-11:00 Discussion

11:00 Coffee

Session 2 Documented past

11:20-11:40 **Andreja Casar** - ESA Archives at the Historical Archives of the European Union.

11:45-12:00 **Associate Professor Kengo Hayashi** - Kagoshima Space Research Center: Introduction of Aerospace Heritage in Japan.

12:00-12.25 **Jeeyeon Bae** - The Journey of South Korea's Nuri Rocket Project.

12:25-12:50 **Dr Gai Jorayev** - The AeroSpace Heritage of the Union of Socialist Soviet Republics (USSR).

12:50-13:00 Discussion

13:00 Lunch

Session 3**Stakeholders at large**

- 14:15-14:35 **Amanda Harvey** - AeroSpace heritage, outreach and education.
- 14:35-14:50 **Professor Ingo Heidbrink** - Finders, Keepers? Remarks on the Issue of ownership of Extraterrestrial Historic Artefacts.
- 14:50-15:05 **Professor Javier Mejuto González** - Is there space for everyone? Cultural studies in space exploration.
- 15:05-15:30 Discussion and presentations of opportunity.
- 15:30 Coffee

15:45**Themes for the future**

- 15:45-16:30 Discussion - Ways forward for Aeronautical and Astronautical Heritage: research, advocacy and outreach.
- 16:30 Conclusion of the inaugural ICOMOS AeroSpace Heritage Conference.
- 19:00 Conference Dinner

Thursday, 30 May, ICOMOS AeroSpace ISC Members' Working Day.**MPP. Viollet le Duc Meeting Room.**

- 9:00-15:00 Working sessions.
- 15:00-16:00 ICOMOS Secretariat event.

Friday, 31 May, conference attendees meet with ICOMOS France, then visit Aéro-Club de France and Laboratoire Aérodynamique Eiffel.
